# Growing Up Wild Educator Workshop Registration Form

Growing Up Wild, the newest edition to the programs offered by Project WILD, builds on children's sense of wonder about nature and encourages them to explore the world around them. The Growing Up Wild teachers manual features 27 field-tested hands-on lesson plans correlated to NAEYC standards, Head Start Domains and PA Education Standards. Each lesson includes art projects, reading, music, math connections and outdoor learning. The activities are designed to address development and learning in all areas including, social, emotional, physical, language and cognitive domains. Participants will receive the Growing Up Wild guide.
