ORDER

In this matter the Court has conducted a hearing on the petition for issuance of a license for the Petitioner as a private detective. The petition was filed May 31, 2011. The Court entered an order scheduling a hearing and also requesting that the Clerk of Courts verify the application and request that the District Attorney's Office conduct a full background investigation. Both of those have occurred.

We have a memorandum from the Clerk of Courts that has been submitted pursuant to that order

which we will direct be made part of the record. We also note that the Commonwealth has appeared and has no objection.

We will, therefore, approve the request for the Petitioner, Eric J. Giallanza, to be licensed as a private detective in accordance with the laws of the Commonwealth.
